

Committee on Land, Trust and Probate 2018

Andrew Mak, Nelson Miu, Jenkin Suen, Ken To and Carol Wong have kindly hosted educational talks on adverse possession and probate litigation this year.

The Committee has also participated in the preparation of the Bar's comments on the Continuing Power of Attorney Bill and the Proposed Arrangement between Hong Kong and the Mainland on Reciprocal Recognition and Enforcement of Judgments.

I thank all members of the Committee (and those assisting them) for their contribution this year.
