2. The Committee provided its comments on the Draft Rules for the Construction Industry Security of Payment Ordinance (Cap 652) (“SOPO”) on 18 March 2025. The SOPO came into force on 28 August 2025.
3. The Committee’s priority is promoting the education, study and practice of construction law by barristers, especially junior barristers. The Committee considers this best be done through live events with live interaction.
4. This year the Committee held the first talk on SOPO on 12 November 2025 at Rede Chambers. It was well attended by junior barristers.
5. The Committee plans to hold the second talk on SOPO in 2026.
6. The Committee continues to explore other options for the promotion of construction law within and outside the Bar. Members are actively involved in the consideration and award of scholarships by the Society of Construction Law Hong Kong to pupils interested in pursuing a practice in construction law.
